RE: Anna Eshoo for Congress Last Minute Report

Dear Mr. Wyrick:

On October 25, 2010, we received a contribution of \$1,000 from Christopher Carstens. The committee filed the required 48 hour report on the same date, FEC Filing 511554.

We inadvertently filed a duplicate 48 hour report for this contribution on October 28, 2010, FEC Filing 513576.

The FEC Form 6 does not allow for amendments. Therefore, the committee is filing this Form 99 miscellaneous report to amend the filing of the second Last Minute Report to remove the duplication.

Please feel free to contact me with questions.

Christopher Ream, Treasurer
